Terra Cotta Pots

The pots shown in the picture were all decorated using acrylic wall paint, spray paint and decorative accessories like ribbon, moss, wheat, ect. The directions below are for the white poem pot. All the others are just simple and require only a glue gun and a little extra time.

Materials:

Terra Cotta pots
Paint
Permanent black marker
Favorite poem

Total Time: 15 to 30 minutes

Total Cost: \$5 to \$7

Directions:

Wash the pot. Let dry thoroughly. Paint the pot white and let dry completely. Once dry carefully copy the poem onto the pot with a pen. Dramatize your writing and accentuate the curves and loops. Let the ink set a few hours before planting.
